

NeuralNet Coin (NNC) - Audit Transparency File

The Architect - Founder & Lead Developer

Date: November 25, 2025

Purpose:

This document provides the official allocation and vesting structure for The Architect within NeuralNet Coin. It is publicly available for transparency and community verification, demonstrating the integrity of team allocations and long-term ecosystem alignment.

Holder Information:

Name: The Architect

Role: Founder & Lead Developer

Wallet Address: JD2sVKxN11Ezn4AYVD4s2JiRUt1Y5Rb5SFueCD5FsmVN

Token Allocation:

Assigned Amount: 30,000,000 NNC

Status: Locked during cliff and vesting periods

Transferability: Not transferable until vesting unlocks

Vesting Structure (NNC Whitepaper - 2025 Edition):

- Cliff Period: 12 months

- Vesting Period: 36 months (linear unlock after cliff)

Numbered Format:

1. Cliff Period: 12 months

2. Vesting Period: 36 months

3. Linear monthly unlocks after cliff expiration

Simple Summary:

Cliff Period is 12 months.

Vesting Period is 36 months.

Unlocking occurs monthly after the cliff ends.

Restrictions and Conditions:

- Tokens cannot be sold before vesting unlocks.
- Tokens cannot be transferred or collateralized early.
- Any attempt at early liquidation voids the allocation.

Transparency Statement:

This document serves as a publicly accessible audit record intended for independent reviewers, third-party evaluators, researchers, and any individuals assessing the legitimacy, structure, and distribution of NeuralNet Coin allocations. It provides a clear reference for verifying founder allocations, vesting rules, and ecosystem alignment without hidden alterations or withheld information.
